# GREGORY RICE PRESENTS

## *Meet the Shore's Top Agent*

**Greg Rice has been the #1 Agent at Coldwell Banker Realty in Spring Lake for the past 7 years in a row (highest sales volume each year, 2017-2023). He is recognized through multiple awards and designations as one of the top real estate agents in the entire United States, and was recently ranked #27 among all 60,000 Realtors in N.J. by Newsweek Magazine's "America's Best Realtors." Greg sold \$40 MILLION this past year of 2023 alone, and has closed over \$450 MILLION thus far in his 19 year career. Greg's relentless energy, advertising, and market expertise gives him a significant advantage in evaluating, marketing, negotiating, and closing sales for his clients! This, combined with Coldwell Banker's unmatched global exposure and industry-leading marketing platforms and technology, has led to Greg being the agent of choice in all price points at the Jersey Shore. Contact Greg anytime for a private and confidential discussion on your home's current value, your options, the market in general, and the best ways to take advantage of it... and see for yourself the success you can achieve when you work with the Shore's top agent and the world's #1 real estate company.**

"A friend referred me to Greg Rice after I told her I wanted to sell my townhouse. Greg turned out to be a god-send. His analysis of the real estate market at that time, its direction and what I needed to do or did not have to do, proved to be spot-on. The photographs taken by his photographer were among the best I have ever seen in a real-estate advertisement. I followed his advice to a "t" and two and half weeks later, my house sold a day after it was put on the market for a price significantly over the asking price. He is a true professional as well as a nice person to deal with."  
- Jane, Seller in Spring Lake Hts

"...We met with 5 of the top agents in the area and chose Greg. Greg was superb as my sellers agent, was 100% reliable and put us at ease during a stressful time, and, in the end, sold our house for a higher price than the other agents were willing to list it!"  
- Dan Jones, Seller, Spring Lake

"I carefully researched who I wanted to list my Sea Girt house and came up with Greg Rice - and he proved to be everything I expected in a real estate agent. He offered very good advice, was attentive to all of my needs and most importantly provided for a sale of my house that exceeded my expectations. I would heartily recommend Greg to anyone who is looking for a SUPER real estate agent."  
- Elena, Seller, New York Blvd, Sea Girt

"...We could not be more pleased with this process from start to finish. Greg is friendly, professional, hardworking and smart. His marketing approach was first class, his negotiating skills fantastic. There was no request he could not handle. We recommend him without reservations...."  
- McManus Family, Seller, Manasquan

"....My wife and I interviewed numerous realtors to help us sell our Brielle home, and it was clear to us within a few minutes of meeting Greg that he would be our choice...Greg's preparation, presentation materials, knowledge of the local market, and his contagious enthusiasm, and professionalism stood out to us. My wife and I can not recommend Greg highly enough...."  
- Tim Conway, Seller, Brielle

“LEAN ON LINA” FOR ALL YOUR REAL ESTATE NEEDS

“**Lina** is hard working, super responsive and has incredible local knowledge. I recently worked with Lina to purchase a property that had 11 bidders. I would not have been the successful without the expert advice **Lina** gave me throughout the process. **Lina** advised me of property worth, updating costs, resale value and provided contractor names that could help. She even obtained the house CO for me and was in constant communication with the sellers real estate agent with many contract changes to ensure I had the most attractive bid, which surprisingly was not the highest. I can’t thank Lina enough for all of her help and expertise.” - Scott Hofsess, 606 Newark Ave., Bradley Beach, NJ 07720

## SUSAN BASTARDO, REALTOR ASSOCIATE COLDWELL BANKER REALTY - SPRING LAKE

**Susan Bastardo** Realizes "Knowledge is Power". A recent testimonial: "I want you to know how much I love the house & how my life has changed now that I live in Manasquan. I met a realtor whose clients were the 2nd people in (I was first) to view the home. They immediately made an offer for full price. The realtor's words to me, "you had an awesome realtor, she beat us ALL out of the bidding & an additional client in my office wanted the house too." She went on to tell me no one could figure out how an offer was accepted before any showings! I, of course, was telling her how wonderful you were... the other realtor I met said multiple people wanted the house & the owners wouldn't budge because they felt good about the initial buyer (that's me!). Your dedication to representing your clients at the highest level changed my life & I'm very grateful!" ## PANCHEROS MEXICAN GRILL

Over the years, **Pancheros** has earned a loyal following for redefining the standards of a burrito, and we've decided to bring that here to the Jersey Shore. **Pancheros** uses fresh pressed tortillas and a unique spatula, lovingly referred to as Bob, to tear down the walls that once stood between the meat, rice, beans, and salsa, yielding burritos that are better built. The fast-casual restaurant has earned popularity for its chips and queso and unique limited time offerings. Ever eager to serve the community, we host plenty of fundraisers and support local charities, such as Relay for Life and the Autism Beach Bash.
